

Art Scholarship Application

The Oshkosh Fine Arts Association is an organization committed to the enjoyment and advancement of the arts in our area. There are monthly get togethers which include art programs and member art project sharing. Field trips and workshops with visiting artists are scheduled throughout the year. A Plein Air Festival is held in the summer, which invites outdoor painters from all over to come and create paintings throughout Oshkosh. After three days of plein air painting, there is an artist reception and sale of the artwork, which is open to the public.

Proceeds from the plein air painting sale, as well as other funding, allow us to give scholarships for the arts to artists in our area. This one time scholarship is intended for college, special workshops or art classes, art supplies and materials. Below is the application form for the OFAA Art Scholarship. Please review all the requirements carefully.

Any questions or concerns about the application can be directed to:

OFAA requests that the applicant completes the following requirements for art scholarship consideration:

- A.** A letter of intent, telling the committee for what and how the scholarship money will be used.
- B.** A one page, typed, single spaced, artist statement or educational goal summary, to include why a scholarship would help obtain this goal. This letter should give the committee a good representation of the artistic direction intended.
- C.** Two short letters of recommendation. Include printed name and phone number of letter authors. Address letters to the OFAA scholarship committee.
- D.** A small sampling of work done by the applicant. This can be submitted by photos of work, reproduced and photo copied examples, and or by original pieces of artwork. Please keep size within 8.5 x 11" max.
- E.** A commitment to volunteer for a one time service at one of OFAA's art events, either at our outdoor Plein Air Festival or another event where help is needed.

Please submit the above information in a contained booklet form, using either a small portfolio or in a bound folder. Applications begin January 1st of each year. Application deadline is April 30th. Scholarships are awarded on a one time basis. Special requests should be sent with a special cover letter and with specific detailed information about the nature of the request. Send to:
